PositiveNaija

PositiveNaija is a blog, which began in January 2015 with the vision of having the most reliable platform for informing the world of the truly impactful, positive, valuable, inspiring, educative and worthy news/updates associated with Nigeria and Nigerians all over the world based on consistent objectivity, impartiality and excellence. With our work, we aim to gradually but firmly establish in the consciousness of Nigerians the practicability and possibility of their passions, goals and success by adhering to the principles of hardwork, accountability, justice, love, unity, critical thinking and other relevant positive values.
