PositiveNaija Geographical Analysis

We have sought out to deduce the geographic locations (within Nigeria and abroad), which the positive updates recorded are being achieved. Our aim is to be able to tell objectively, how conducive/enduring the environments are to what Nigeria/Nigerians are achieving. To do this, we determined the locations on the basis of where exactly the achievement was done or achieved as well as will be done or achieved.

As an improvement, from the year 2019, we have increased efforts towards matching the published news to their actual or respective months to give more accurate reflection on our reports/statistics accordingly to actual happenings.

At the most basic level, PositiveNaija attributes 'courage and the drive for distinction/improvement' as the most fundamental element or driver or factor of all positive progress or feats achieved/recorded by Nigeria and Nigerians.

For detailed information on this analysis and identification, kindly visit our website as we will appreciate having your engagements and contributions. Thank you!
